The screenshot shows a mobile application interface for a registration form. The app is titled "Formulario" and is running on a device with a status bar at the top showing the time as 21:22. The interface features a large circular profile picture placeholder with a blue background and a yellow padlock icon. Below this, there are six input fields for registration: "Nombres", "Apellidos", "Carnet" (with a three-star password strength indicator), "Direccion" (with a character count of 0/20), "Contraseña", and another "Contraseña" field. At the bottom, there is a navigation bar with three options: "Registrarse" (highlighted in blue), "Login", and "Configuracion". A vertical toolbar on the right side of the screen contains various icons for app functionality, including settings, a list, volume control, a camera, a refresh button, a plus sign, an APK icon, a scissors icon, a play button, a three-dot menu, a back arrow, a home button, and a recent apps button.
